

Gymnastics Victoria's 2025 West Regional Conference

Dear Parent,

Gymnastics Victoria is running a West Regional Coaching Conference on Sunday 27 April 2025 at Strive Gymnastics. This conference contains workshops that recommend athlete participation for the coach to be able to develop knowledge. We recommend that parents transport athletes under the age of 18 to and from the venue.

Gymnasts will take an active part in these coaching workshops; please note the workshops are not a training session for the gymnasts, these workshops are an educational session for the coaches.

During the workshops, there may be downtime for the gymnasts, please ensure they have drink bottles and lunch/snacks. Please note gymnasts will be physically active during demonstrations and with all physical activity there is a risk of post muscle soreness or potential injury. By consenting, it is important you understand your child will be working under the instruction of their coach and qualified workshop presenter.

Gymnastics Victoria is committed to providing a Child Safe, Child Friendly environment. Coaches and Presenters are bound by the following policies:
